Discipleship of Youth and Young Adults

We passionately seek to make disciples of youth and young adults through three essential programs: **THE WAY Summer Discipleship program, THE WAY One-year School of Discipleship, and REVIVE.**

"To be able to have a year devoted solely to studying the Bible as well as serving the Lord in ministry is an invaluable experience that helped to shape my understanding of the Word of God and it gave me a love for Christ that has led me to seek to live the rest of my life in a way that glorifies Christ and makes Him known!"
- Mike (School of Discipleship)

Current Ministry

- **THE WAY Summer Discipleship and Service Program** provides students an opportunity to serve in ministry while receiving Biblical teaching and spiritual mentorship.
- **THE WAY School of Discipleship** invites high school graduates to participate in a year of Biblical studies and practical ministry application that equips them with the skills to teach, counsel, evangelize, and serve as competent and effective ministers of the Gospel.
- **REVIVE Youth ministry** provides the opportunity for teens to gather and be discipled and encouraged to pursue the Lord.

“By the end of training weekend, I had made family. I would say friends, but everyone at LeTourneau is family to me and with this comes many fun memories over the past few summers.”
- Rachel (Summer Student)

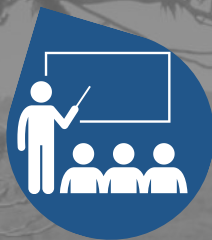

Future Initiatives

- Provide new discipleship opportunities for youth through THE WAY summer program
- Increase enrollment in THE WAY School of Discipleship through partnership with churches
- Extend the reach of REVIVE rallies and retreats to local congregations, connecting youth and making disciples

Prayer Focus

Pray with us for missionally minded students to join THE WAY Summer program and one-year School of Discipleship. Also, ask our Lord to draw churches and youth leaders to join us leading youth into a faithful and bold relationship with Him.

Biblical Training for Lay Leaders

We pray for the future opportunity to offer educational resources to support lay leaders desiring deeper spiritual growth and understanding of the Bible for the building up of the local church. In partnership with THE WAY School of Discipleship, we desire to help train and equip those currently serving or desiring to serve in their church as a Sunday school teacher, Bible study or small group leader, youth or children's director and other church leadership roles.

Current Ministry

- Strengthen partnerships and share vision with local churches and pastors
- Seek to understand the Biblical education and ministry needs of local pastors and their congregations

Future Initiatives

- Establish a future Lay Leaders Institute to build up the Church
- Involve qualified pastors and trained laymen to help establish a model of ministry and teach future classes, seminars and conference workshops

Prayer Focus

Pray with us that God would provide trained, qualified staff and ministry partners able to teach and instruct classes, seminars and workshops to better equip individuals to faithfully teach God's Word in their local church.

A Letter from our Chair

Do you ever wonder about the future of LeTourneau Christian Center ministries? I do! I know God has a perfect plan for His ministries at LeTourneau and I invite you to be part of what lies ahead in these exciting times! Pray/Dream with me...Along with more souls saved, does His plan include: a new gym/multipurpose building, a new lodge someday, more staff housing, new office space? He knows! Thank you for praying and supporting His ministries at LeTourneau. What a privilege to serve Him in a variety of ways! You are invited to pray and become involved as you can. You will be blessed!

Each summer many children and others come to camps at LeTourneau as I did years ago. During the year other Christian groups book their special events and enjoy our campus and time along Canandaigua Lake. Opportunities to meet Jesus as Savior and to learn ways to live for Him are the focus of each group's interactions. When young campers become teens, many work as staff members who learn ways to impact this world for Jesus as they serve others every day in the kitchen, dining hall, around the campus mowing lawns, raking, painting, doing housekeeping, witnessing to others, growing closer to Jesus. Those of us who have experienced "Life as a LeTourneau staff member" remember working hard, having fun, growing closer to Jesus and living Colossians 3:17, "Whatever you do, work at it with all your heart, as working for the Lord..."

I am forever grateful that I accepted Jesus as my Savior years ago at a LeTourneau kids' camp; that I served on the staff as a dining hall and coffee shop waitress and that I worked in housekeeping in the Lodge and other buildings. A strong work ethic was a given! After college and a career, I now have the privilege of serving Him as a member of LeTourneau's Blessed Hope Women's outreach and as a member of the LeTourneau Board of Directors. God had His plan for me many years ago, as He has for each of you! Please join us as God leads! Thank you for your support of His ministries at LeTourneau.

Serving as He leads,

Carol A. Emerson

A Vision for the Future

LeTourneau Christian Center's six ministries will be greatly enriched by the future vision which seeks to:

- ENHANCE the property with transformative renovations and new facility additions
- EMPOWER program and event development
- EXPAND hospitality services

Phase I: Major Renovations & Infrastructure

- Renovate existing interiors and exteriors of facilities to enhance guest retreats
- Upgrade recreational spaces and equipment to provide additional activities

Phase II: Davis Sports Facility

- Enable numerous indoor group activities year-round for ministry events and programs, leagues, camps and homeschool and community groups
- New guest amenities including a gym, kitchen, central showers, recreation room and meeting space.
- Provide additional meeting spaces to host multiple groups
- Give churches and Christian groups a facility to host larger meetings, gatherings and recreational activities

Phase III: New Guest Lodge

- Provide guests with larger rooms which include private bathrooms
- Increase ability to accommodate multiple or large groups
- Better host marriage retreats and adult conferences
- Update and include ADA facilities to support guests

Davis Sports Facility

Why build the Davis Sports Facility?

Our hope in building the Davis Sports Facility is to increase our impact on God's people for His glory and their joy. The use of a year-round gym and sports facility will add to the overall enjoyment of all our guests. It will also make retreating with us in the winter months more accessible for groups. Our own programs and events will be greatly enhanced by this resource. The Davis Sports Facility will also help us create several new ministry opportunities such as after school clubs, homeschool outings, church gatherings, community sports leagues, and more. Each of these new ministry programs will use the facility to share the Gospel and disciple God's people. We are excited to see how God will use this facility for the building up of His Kingdom.

The steps necessary to finish the Davis Sports Facility are outlined on the next page. We believe the building is as functional and economical as possible. The need for prayer and financial partners is great. We would ask you to consider being both (Psalm 90:16-17).
